Emphasize **bolded** syllables

Prowords, or procedural words, help speed communications and often are able to express complex ideas in a single word.

Roger – means that a message was received and completely understood **Affirmative** – denotes yes

Negative – denotes no

Negative – denotes no

Over – indicates end of transmission and invites receiving station to reply

 $\boldsymbol{Say}\ \boldsymbol{Again} - used$ when unable to hear and need a repeat

All Before - repeat all words before specified word

All After – repeat all words after specified word

Precedences, the precedence will follow the message number.

Emergency – Any message, having life and death urgency to any person or group of persons, that is transmitted in the absence of commercial facilities. **Priority** – Important messages having a specific time limit. Official messages not covered in the Emergency category.

Welfare – A message that is either a) an inquiry as to the health and welfare of an individual in the disaster area b) an advisory or reply from the disaster area that indicates all is well.

Routine – Most traffic normal times will bear this designation. In an emergency, may not be sent at all.

Handling Instructions (optional)

HXA(#)-Collect landline delivery authorized by addressee within _#_ miles

- HXB(#)-Cancel message if not delivered with _#_ hours of filing time. Service orig. stn.
- HXC- Report date and time of delivery (TOD) to originating station
